

# AUSTIN CITY LIMITS®

## Your helpful guide

### TICKETS

One-day [general admission tickets](#) start at \$170 or you can score weekend passes starting at \$325. If you're coming in from out of town, consider a hotel experience package at one of the partner hotels within walking distance of Zilker Park.

### ACL FEST NIGHTS

A show within the show, [ACL Fest Nights](#) features secondary performances from some great local bands. For instance, in 2022, Spoon, Billy Strings and Japanese Breakfast played featured concerts at local music venues during the festival.

All of these concerts require a separate ticket, so check out the schedule for more shows.

### ACL EATS

If you're only coming for the music, you don't want to miss the food. Some of the best restaurants in the city head to Zilker Park to set up stands for both weekends. The list includes everything from beer to tacos to barbeque to desserts.

As great as the food is, you can't bring outside food and drink to the festival.

### FAMILY FUN TIME

While some bands have lyrics that are a bit PG-13, kids are not excluded from the fun. Austin Kiddie Limits is a special section designated for music lovers ages 8 and younger. Kids can get in free with a paying adult ticket to the festival.

The fun includes a very own stage for kid-centric acts (think School of Rock and Q Brothers), plus jugglers and stilt walkers, a rockstar hair salon, airbrush tattoos, a traveling photo booth, craft studio, drum zone, and so much more.

Austin Kiddie Limits is open until around dinner time each day, so there's time to get the kids home for bedtime before the main acts hit the stage.

### PARKING

There are [three entrances](#) at Zilker Park for music fans to enter: the North, East, and West. You might see a paved lot on-site, but it is reserved for cars with [ADA placards](#) and is on a first-come-first-served basis.

Other ticket holders should utilize the [shuttles](#) that run from Republic Square Park. The shuttles drop off and pick up at the West Entrance.

## Weekend #1

The 2023 festival has been expanded to two full weekends and features multiple stages, so you'll want to plan accordingly so you don't miss your favorite act. (This also means planning bathroom and meal breaks into your schedule, too.)

The full schedule of events is subject to change, including stage placement and bands. Download the ACL Festival app to avoid surprises.
