[Marble Falls](#) is a small community in Burnet County, approximately 48 miles from Austin.

Although Marble Falls residents and visitors can easily make their way to downtown Austin, there is plenty to do without leaving the city limits.

One of Marble Falls' most popular attractions is the [Flat Creek Estate](#) winery, a sprawling estate that pairs beautiful views of the Texas Hill Country with exceptional wines. The winery has a Tuscan-inspired tasting room, an outdoor pavilion, and a bistro that serves up world-class cuisine.

Those who want to get their blood flowing can visit [Hidden Falls Adventure Park](#). This offroad park allows guests to get a little mud on the tires as they explore the area on their dirt bike, ATV, UTV, or modified SUV. Those without their own off-road vehicle can rent dirt bikes, ATVs, and UTVs on site.

Marble Falls is also home to the [Balcones Canyonlands National Wildlife Refuge](#). This refuge allows guests to immerse themselves in the natural beauty of Texas and unplug from the stresses of daily life. It includes over 10 miles of hiking trails, several observation decks, and rugged landscape.

While Marble Falls is best known for its abundance of outdoor activities and recreation, it hosts some great restaurants as well. It is impossible to list all of the check-in-worthy eateries in Marble Falls, but here are the highlights:

The Real New Orleans Style Restaurant features dishes like fried shrimp, etouffee, crab cakes, and fried catfish. Those interested in a more health-centric dining experience can check out the Noon Spoon Café. Holy Smokes! BBQ & Catering, Tea Thyme Café, and Bella Sera are a few other top eating options in Marble Falls.
