Kyle is a neighboring city to Buda and located in the heart of the San Marcos-to-Round Rock metropolitan area. Like Round Rock and San Marcos, Kyle and Buda have benefited significantly from Austin's rapid growth and are emerging industrial hubs between Austin and San Antonio.

Kyle is known as the Pie Capital of Texas, thanks to the delicious dishes coming from the Texas Pie Company. Visitors also flock to the city for the annual Pie in the Sky Hot Air Balloon Festival which includes live music, pie festivities, and a children's play area.

Known for its abundance of parkland, Kyle has common areas that include basketball courts, ballfields, pavilions, walking trails, and more. The Ash Pavilion features some fun family skate nights

with music, lights, concessions and an occasional theme.
