

# STATS DASHBOARD

*Live Data + Interactive Experience*  
AT YOUR FINGERTIPS

In a time when we see the market fluctuate and change in ways it hasn't in years, real time data is immensely valuable. The Patten Title Central Texas Statistics Dashboard offers live data on a dynamic dashboard, allowing manipulation and filtration specific to user needs. Pull reports and historical data pertinent to a certain county, city, zip code or even MLS area. Be ahead of the game with daily data imports. Look for trends and metrics that can set your strategy and business apart. This is a tool unlike any other.

Welcome to the new world of market statistics, with Patten Title's dynamic dashboard.

## DYNAMIC DATA TABLES
