Taylor, Texas, is located near the center of the Lone Star State with a population of approximately 16,500.

Taylor offers plenty of outdoor recreational opportunities, primarily via its massive Regional Park and Sports Complex.

The complex truly has something for everyone, including a lit football field, five youth baseball fields, five fast-pitch softball fields, and two adult soccer fields. It also has two basketball courts, three separate playgrounds, a six-acre lake, a fishing pond, and WiFi access.

Those interested in indoor experiences will have plenty to do as well. The 10,000-square-foot Vintique Mall and the Moody Museum are two intriguing options that keep visitors busy for hours. The latter was established in 1887, and the former is home to some curious antiques.

Another awesome entertainment option available in Taylor is the Howard Theatre. Although this theater plays modern films, it stays true to its 1940s roots by maintaining a classic vibe. Even the prices pay homage to a simpler and more affordable time.

Foodies will love Taylor as well. The small but growing community plays host to some exceptional eateries. The prime dining location in Taylor is Louie Mueller Barbecue. They serve “world-famous” brisket, chicken, sausage, ribs, and other BBQ staples.

Individuals looking for something with more of a hometown feel should check out Lucky Duck Cafe. The menu includes a fried catfish dinner, chicken fried steak, oysters, shrimp, and other simple but tasty dishes.
