The small city of [Kingsland](#) can be found to the northwest of Austin and holds a population slightly over 7,100 people according to the 2020 census.

Despite being a small city in terms of both land area and population, Kingsland is a premier tourist destination. It has also experienced a healthy amount of growth over the last few years because residents and tourists have access to an abundance of outdoor recreational activities and natural amenities.

The most notable destination in Kingsland is Lake LBJ. Formally known as Lake Lyndon B. Johnson, [Lake LBJ](#) is located along the Colorado River. It is in the heart of Texas Hill Country and has a constant water level year-round.

Lake-goers can partake in water skiing, sailing, and boating. They can also fish, lounge along the shore, or just soak up the Texas sun.

Kingsland also boasts a diverse mix of restaurants and eateries. Enjoy options like Alfredo's Mexican Restaurant, Spyke's Bar-B-Que & Catering, M&M Donuts, and Kingsland Coffee.

One of the most popular spots is [Hooper's](#), a first-come, first-serve fine dining establishment. Grande Central Café is known for its culinary quality, Texas-sized food portions and appearance in horror flick, "Texas Chainsaw Massacre."

Kingsland is also the home of several great golf courses. [Legends Golf Course](#) is well-reviewed and wildly popular among Burnet County residents. A few other clubs include the Blue Lake Golf Club, Slick Rock Golf Course, and the Summit Rock Golf Course Community.
