Located to the south of Lake Travis and directly on the water, [Lakeway](#) is one of the fastest-growing cities in the Lone Star State. A short 22 miles northwest of Austin, residents can enjoy the capital city's vibrant live music scene after making a short 35-minute car journey down Southwest Parkway.

Lakeway offers residents the perfect combination of Texas Hill Country views and waterfront commodities. Residents have the daily pleasure of living where they play. Fine dining, relaxing eateries, watersports, and fishing are just a few of the many activities that Lakeway has to offer.

For out-of-town guests, Lakeway has plenty of accommodations. The premier place to stay in Lakeway is the [Lakeway Resort and Spa](#). This resort has breathtaking views of Lake Travis, world-class spa services, and spacious rooms. It is also the home of [TP Restaurant & Bar + Lounge](#), which serves southern comfort dishes and expertly crafted cocktails.

Diners can find relaxed eating environments, formal experiences, and everything in-between as they explore Lakeway. The community is the site of many excellent

eateries, with top options including: Santa Catarina, Sundancer Grill, SP Brazilian Steakhouse, and The League Kitchen & Tavern.

Those interested in checking out Lake Travis can put their boat in the water at one of its many convenient access points. A lack of a vessel won't stop residents and tourists from enjoying the lake, as there are several boat rental businesses located right on the water.

In addition to boating, Lake Travis is a great spot for swimming, kayaking, tubing, or just relaxing and soaking in some rays. Every weekend, families from throughout the region flock to this enormous lake to partake in the festivities.
