[River Place](#) is a highly desirable community located within the Texas state capital, located just to the north of Lake Austin, making it a premium location within the bustling city.

Residents of River Place enjoy picturesque views of Texas Hill Country, which are perfectly merged with a posh country club lifestyle. Many of the homes in River Place are located along the waterfront, adding to the already great appeal of living in the community.

Compared to many other Austin neighborhoods, River Place is relatively new. Community designers opted to prioritize green spaces while preserving as much of the area's natural beauty as possible.

In terms of recreation in River Place, the [River Place Country Club](#) is the pinnacle. The club has an exceptional golf course as well as several pools that are used to host aquatics classes. Those interested in more traditional activities can check out the club's state-of-the-art fitness center. The club also offers both adult and junior tennis.

Three of River Place's top eateries are located on country club property — The 19th Hole, The Cabana, and the Fairway Dining Room.

Those interested in venturing out a bit more can hit up fan favorites like Biscuits + Groovy, Steiner Ranch Steakhouse, or Jack Allen's Kitchen.

Naturally, River Place residents can partake in Austin's world-renowned live music scene as well. Downtown Austin is routinely packed with up-and-coming musicians in various genres.

Those interested in doing a little shopping can head down to The Domain, which is just a few minutes away from the River Place community. The Domain has dozens of retail stores, more fitness opportunities, and eateries.
