Clear Lake is comfortably situated on the Gulf of Mexico and provides residents and visitors with a great experience in coastal living. Annexed by the city of Houston in 1977, Clear Lake is known for great seafood, high-action water sports, relaxing fishing trips, and much more.

At Kemah Boardwalk, families and visitors are invited to feed and touch live stingrays, dine at the Aquarium, or take a Gulf-side thrill ride on the Boardwalk Beast, a boat ride that rockets at up to 40 mph.

Though Clear Lake attracts people looking for a more peaceful take on the Texas coast, nature is never far away. The Armand Bayou Nature Center delivers trails for visitors and residents alike to witness all the beauty in the area. Other ways to see the preserve include kayaking, educational bat hikes, or booking a guided safari tour.

Before Clear Lake became part of Houston, it was home to what would be the Lyndon B. Johnson Space Center. Visitors interested in learning more about this piece of American history can tour the museum at Space Center Houston. The center holds the world's largest collection of moon rocks, provides tours of astronaut training facilities, and allows visitors to walk into a replica shuttle.

CHAMBER OF COMMERCE

Clear Lake Area Chamber of Commerce
1201 E NASA Pkwy | 281-488-7676

The Clear Lake Area has its own chamber of commerce which has served the Bay Area since 1962. This chamber of commerce serves both Clear Lake and the surrounding areas and encourages advocacy for policies that affect businesses in the community. The chamber's webpage is also a great place to look for community events.

The largest chamber of commerce in Houston is the Greater Houston Partnership. The Partnership's goal is to make a positive impact on the region, seeking members who are committed not only to their own business but to the community as a whole.

Other chambers of commerce located in Houston include the Houston Northwest Chamber of Commerce, Greater Houston Black Chamber, Houston West Chamber of Commerce, Houston Hispanic Chamber of Commerce, and the Greater Houston LGBT Chamber of Commerce.
